A Year of Achievement and Bright Futures

As we move through 2025, the D9 & D10 Ooltewah Harrison Education Foundation is filled with immense pride for our students, educators, and the entire community. This year has been marked by incredible resilience and outstanding achievement in our schools. The true highlight, as always, is celebrating the talented young leaders our district produces. We are thrilled to dedicate this newsletter to the graduating students who are stepping into their futures, equipped with the knowledge and character nurtured right here in our community. Join us in celebrating the remarkable accomplishments of our 2025 scholarship recipients!
